MONTHLY UPDATE

We would like to start by thanking all of you for your continuous support. We are grateful for your donations, time, and prayers which are all truly appreciated as we continue to render quality hospice and palliative services.

CENSUS

The Ruth Foundation Care Services team has visited 49 patients for the month of July. These patients were visited by our doctors and nurses and were given a variety of complimentary care services. These patients were visited 81 times, in total, to render these services. We have 11 new patients enrolled in the system this month but as hospice goes, we lost 6 of the existing ones along the journey.

EVENTS

Our very own Managing Consultant for Patient Care, Dr. Nanette Cruz, was invited by the Episcopal Commission on Health Care, last July 25 to be their guest speaker at the Symposium on Catholic Terminal Care.

SPECIAL FEATURE

This picture of our patient was taken a year ago. She could still walk around at that time

Our Social Worker, Ms. Lira, has determined some of our patients who are in need of the Benevolent Fund, which assists them with purchasing palliative medication, food and/or supplies they need. She has also determined patients who need referrals to other agencies that may give additional financial support.

One patient of ours, who was diagnosed with Stage 4 breast Cancer, benefited from her passion and perseverance in seeking ways to find more helping hands to assist her in wound care and activities of daily living. From the free diapers she wore, the manpower needed to clean her wounds and reaching out to other local government agencies for assistance, this patient was truly cared for. Our patient had finished the race a week ago.

GET INVOLVED

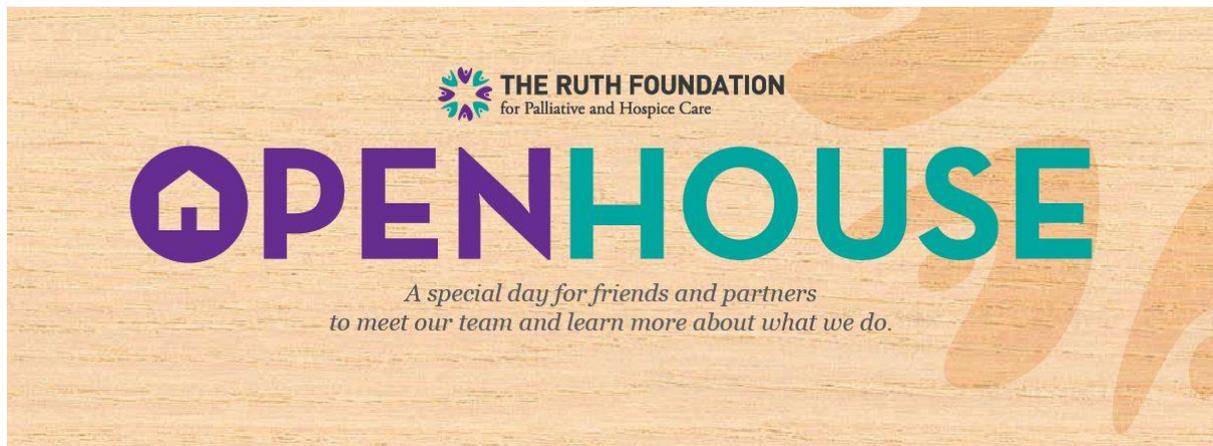

Our Volunteer Corps is being strengthened and re-organized, with the help of our core volunteers and our new Managing Consultant for Operations and Quality, Ms. Elsa De Gracia, as we look forward to assisting more people. We are always grateful to those who are willing to lend a hand in this service.
