EVENTS

may
17

Sonoran Winds Hospice Stakeholders Symposium

Sonoran Winds Hospice, a center based in California, partnered with The Ruth Foundation to host a symposium on the promising future of palliative and hospice care in the Philippines. Invited guests were key leaders from hospitals, pharmaceutical companies, hospices, and others in the healthcare business.

may
04

HIV Seminar for Patient Care

The patient care team invited over some friends from RITM (Research Institute of Tropical Medicine) to give the TRF nurses, doctors, and home visit volunteers an overview on HIV and AIDS in the Philippines today. Part of their lecture also included tips on how to interact with patients struggling with these illnesses.

may
26

ELNEC-Core at St. Luke's Global City

Last May 26, over 50 participants joined The Ruth Foundation in a one-day palliative and hospice care introduction course, known as ELNEC-Core, at St. Luke's – Global City. The day ended in a special lecture by Sonoran Winds Hospice president & CEO AJ Ferrio.

may
26

Heal Wound Management Summit

Some of the TRF doctors and nurses attended a wound summit at Marriott Hotel last May 26. The summit featured updates on wound management for pressure sores (bed sores), diabetic ulcers, among others.

may
30

Communication Workshop with Liese Alberts

Last May 30, some staff and volunteers from Asian Hospital and Medical Center and The Ruth Foundation attended a communication & self-care workshop with Liese Groot-Alberts, a well-known grief therapist and international speaker.

ANNOUNCEMENTS

Hopefull Magazine's Third Issue

The third issue of Hopefull Magazine will be released sometime in the third quarter of 2016. We are still open for ad and circulation partnerships. For more information, visit ruth.ph/hopefull.
